

Undervisningsprisen

Prisen gives til en underviser, der har udmærket sig ekstraordinært ved motiverende og engageret undervisning af højeste kvalitet.

Det er studerende og studienævn, som indstiller underviserne, og prisen tildeles en underviser ved hvert fakultet.

Med disse priser ønsker universitetet at understrege den store betydning af god og inspirerende undervisning. Priserne er på hver 25.000 kroner.

DET SUNDHEDSVIDENSKABELIGE FAKULTET

Lektor **Henrik Hein Lauridsen**, Institut for Idræt og Biomekanik. Han er en afholdt underviser, som lægger stor vægt på, at der konstant sker udvikling af undervisningen, og at de studerendes nysgerrighed stimuleres.

DET HUMANISTISKE FAKULTET

Lektor **Lene Dybbroe**, Institut for Design og Kommunikation. Hun er især en meget afholdt og værdsat underviser i engelsk grammatik og skriftlig sprogfærdighed. Lene Dybbroe fremhæves både for sit engagement og sine pædagogiske evner.

DET NATURVIDENSKABELIGE FAKULTET

Adjunkt **Fabio Vandin**, Institut for Matematik og Datalogi. Han udstråler glæde og passion, så det virker inspirerende på de studerende, og han er altid åben over for nye undervisningsformer.

DET SAMFUNDSVIDENSKABELIGE FAKULTET

Lektor **Linda Sandris Larsen**, Institut for Virksomhedsledelse og Økonomi. Hun fremhæves blandt andet for sin indsats i faget Financial Markets. Her trækker hun på sit netværk og får profiler fra erhvervslivet til at inspirere undervisningen.

DET TEKNISKE FAKULTET

Lektor **Xavier Fretté**, Institut for Kemi, Bio- og Miljøteknologi. Han er altid til rådighed for studerende, og hans evne til at bringe den studerende i centrum for undervisningen gør hans timer meget populære.

Teaching Award

The award is given to a teacher who has distinguished him/herself by conducting motivating and dedicated high-quality teaching.

Teachers are recommended for the award by the students and the board of studies, and the award is given to one teacher at each faculty.

With this award the university wishes to emphasise the great importance of good and inspiring teaching. Each award consists of DKK 25,000.

FACULTY OF HEALTH SCIENCES

Associate Professor **Henrik Hein Lauridsen**, Department of Sports Science and Clinical Biomechanics. He is a well-liked teacher, who places great emphasis on developing his teaching and stimulating the curiosity of the students.

FACULTY OF HUMANITIES

Associate Professor **Lene Dybbroe**, Department of Design and Communication. Lene is a highly respected and valued teacher, especially in the subjects of English grammar and written language proficiency. Lene Dybbroe's dedication and pedagogical skills especially are highlighted.

FACULTY OF SCIENCE

Research lecturer **Fabio Vandin**, Department of Mathematics and Computer Science. He radiates joy and passion, inspiring his students, and he is always open to new ways of teaching.

FACULTY OF BUSINESS AND SOCIAL SCIENCES

Associate Professor **Linda Sandris Larsen**, Department of Business and Economics. She is, among other things, highlighted for her efforts in the subject Financial Markets. Here she draws on her network and invites corporate profiles to inspire the students. She is also a highly skilled teacher.

FACULTY OF ENGINEERING

Associate Professor **Xavier Fretté**, Department of Chemical Engineering, Biotechnology and Environmental Technology. He is always available to his students, and his ability to make the students the centre of his teaching makes his classes very popular.
