

Certificate

Flight Physics Innovation Recognition Event 2010

We are pleased to certify that

Ralf Zimmermann

has participated in the Flight Physics
Innovation Recognition Event 2010.

Your innovation
**Application of Gappy POD approach
to merge CFD and WTT Data as input in
Aero Data Production Processes**
was ranked at Top 10 of
our 2009/2010 innovations.

Thank you very much for your
contribution and dedication.

Werner Bernard
