To whom it may concerns:

This is to certify that the first phase of the project entitled *پMental health and associated factors among seafarers working on ocean-going vessels during COVID-19 outbreak*پ has received an award as a top project within the category of mental health at workplace during COVID-19 pandemic. Mentioned project was approved by the Ethic Committee of Alborz University of Medical Sciences- Iran- as a project with scientific contribution of University of Southern Denmark.

Hereby, we would like to sincerely appreciate to *Dr. Fereshteh Baygi* for her scientific contribution and the time she spent as an invited (honorary) investigator in this project. Moreover, her great communication with international shipping companies which facilitated the process of data gathering for the research team members is highly appreciated.
