

# Would you like to visit us in the Danish-German Borderland?

We invite groups from Germany and all over Europe to the region to show them the competences of the German-Danish borderland and the minorities.

For a comprehensive understanding, it is not only important to get to know the minorities' institutional structures. It is also vital to meet personally with the minorities' members.

# Connected across borders

For more German-Danish and Europe-wide understanding: Since 2020, the Minority-Competence-Network Schleswig-Holstein/South Denmark e. V. (MKN) connects the minority and the majority population in Schleswig-Holstein, South Denmark and Europe.

Based in the Sankelmark Academy Centre, the regional and cross-border network offers various activities by and for national and regional minorities in the German-Danish border region.
