

Jing Qin  
Department of Mathematics and Computer Science  
Data Science  
SDU Climate Cluster  
**Email:** qin@imada.sdu.dk  
**Phone:** +4565507987

## Working Experiences

2016-now Associate Professor in Data sciences and Statistics  
2013-2016 Assistant Professor in mathematics, IMADA, SDU  
2010-2013 Max Planck Institute for Mathematics in Sciences, Leipzig, Germany  
2010 PhD in Pure and Applied Mathematics, Nankai University, China

## Research Areas

Extreme value statistics, insurance statistics and mathematical modelling in RNA molecules

## Teaching

2020- ST514/ST811/DS805 Multivariate Statistical Analysis  
2020- ST817 Mathematical Statistics 2  
2017- ST521 Mathematical Statistics  
2016 Topology and Complex analysis (10 ECTS)  
2014-2015 Calculus I and II (10ECTS)  
2014 MM511 Complex analysis  
2014 MM528 Mathematical Perspectives  
2013 MM510, Ring and Number Theory for TE classes (materials are on e-learn system)  
2011-2013 Weekly Graph Algorithm Seminar in Bioinformatics, Uni Leipzig Lecture notes: algorithm intro, matroid, shortest path, spanning tree, flows... (materials can be sent by request)

## Funding

Lise Meitner Position (FWF)
