

Short Curriculum Vitae for Hans Basbøll (b. 1943, Denmark), Professor Emeritus

Education, employments and other important functions (selection)

1975-2012	Professor (full o. Prof.) of Scandinavian Linguistics at the University of Southern Denmark, Odense (formerly Odense University).
2001-2002	Research Fellow at The Danish Center for Advanced Studies in the Humanities.
1997	Carlsberg Fellow at Churchill College, University of Cambridge.
1986-1989	Prorector at Odense University.
1977-1978	Dean of the Faculty of Humanities and Social Sciences, Odense University, and member of the university's budget committee.
1969-1975	Ass. professor of Phonetics at the University of Copenhagen, also research scholar
1969	Cand. Mag. in Scandinavian Studies (with emphasis on the Danish language) and Phonetics, University of Copenhagen. Also studies in French and Linguistics.

Research- and project management

2010-2011	Director of the project From Sound to Words in Danish Children 9-30 months, supported by the Danish National Research Council (FF-FKK).
2009-2010	Director of the project Sound structure between writing and word structure, supported by the Carlsberg Foundation.
2004-2009	Director of the project Interaction between lexicon and morphology in first language acquisition of Danish supported by the Carlsberg Foundation (a project participating in an international project directed by Wolfgang U. Dressler, Vienna).
2002-2005	Director of the project Danish Children's Language Acquisition, supported by the Carlsberg Foundation.
1998-2001	Director of The Odense Language Acquisition Project, supported by the Danish National Research Council for the Humanities (SHF).

Academy Memberships and memberships of expert panels / expert groups (selection)

2010	Elected member of the Academia Europaea (The European Academy).
2009	Elected corresponding member of the Austrian Academy of Sciences.
1995-1996	Member of the Research Councils' committee for the evaluation of national strategic research programs.
1994-1997	Member of the governing board of the Danish Center for Language Technology (in the period of its international evaluation and restructuring).
1994-1996	Member of the governing board of the Nordic Academy of Advanced study (NorFA)
1994-1996	Member of the Research Councils' commission for neuroscience
1994-1995	Member of the (sub)committee for research education within the Royal Danish Academy and co-author of the Academy's report on this issue.
1993-1996	Member of the Danish Research Council for the Humanities.
1991	Elected member of the Royal Danish Academy of Sciences and Letters.
1991-1997	Member of the official Danish Language Commission (Dansk Sprognævn).
1986-1992	Member of the steering committee for the research initiative (by the Danish Research Council for the Humanities) on Spoken Danish in its variations.
1978-1985	Member of the Governing Board of Odense University.

Festschrift for Hans Basbøll: Take Danish – for Instance. Linguistic studies in honour of Hans Basbøll presented on the occasion of his 60th Birthday 12 July 2003, ed. Henrik Galberg Jacobsen, Dorthe Bleses, Thomas O. Madsen & Pia Thomsen. Odense: University Press of Southern Denmark. 2003. [List of Hans Basbøll's publications 1968-2003 on pp. 307-314.]

Lifetime Achievement Award by the University of Southern Denmark, Faculty of the Humanities. [Awarded at a Fest-Symposium in my honour held on August 20, 2013, with substantial contributions by Klaus J. Koehler, Kiel, Gjert Kristoffersen, Bergen, Jacques Durand, Toulouse, Nina Grønnum, Copenhagen, Frans Gregersen, Copenhagen, and Henrik Galberg Jacobsen, Odense (greetings from Wolfgang Dressler, Vienna, who had to decline due to illness)]

Main work of Hans Basbøll:

The Phonology of Danish. [Series Phonology of the World's Languages, Series Editor Jacques Durand.] Oxford University Press. 2005. xxvii + 596 pp. [Phonology and Prosodic Morphology]

Member of the Advisory Board for *Nowele* (North-Western European Language Evolution) and *RASK* (earlier member of the editorial committees of the international linguistic *Nordic Journal of Linguistics*, *Cognitive Linguistics*, *Linguistic Inquiry*, *Rivista di Linguistica* = Italian Journal of Linguistics and Phonology, formerly *Yearbook of Phonology*).

Referee for other international journals, including *Linguistics* and *Journal of Linguistics*, and referee for International conferences and congresses, as well as evaluator for Danish and International foundations and research councils. Also in evaluation committees for professorships, Habilitationsschriften and dissertations, as well as many other positions and degrees, (partly in Scandinavian languages, partly in phonetics and linguistics), in Denmark, Norway, Sweden, Iceland and USA. Guest lectures in the above-mentioned countries as well as in Hungary, Poland, France, UK, Austria, and Italy. Have arranged and co-arranged a number of conferences.

Main reporter on Phonology at the 9th International Congress of Phonetic Sciences (the report published in *Language and Speech* 1980) and plenary speaker at other international conferences; wrote the chapter on "Phonological theory" in F. Newmeyer (ed.): *Linguistics: The Cambridge Survey*, vol. 1: *Theoretical Foundations* (Cambridge University Press 1988).

Morphological and phonological articles in international standard handbooks (see list of publications). In the Editorial Committee of *Wiener Studien zur Skandinavistik*.

Publications of Hans Basbøll 2017-2022
