

Lotte Abildgren  
Department of Clinical Research  
KI, OUH, CFPK - Centre for Patient Communication (Odense)  
**Email:** labildgren@health.sdu.dk

## Employment

### Department of Clinical Research

1. Aug 2024 → 31. Jul 2027

#### Assistant Professor

KI, OUH, CFPK - Centre for Patient Communication (Odense)

Odense C, Denmark

1. Aug 2024 → 31. Jul 2027

#### forsker

Odense University Hospital

Odense, Denmark

1. May 2024 → present

#### uddannelseskoordinator

Odense University Hospital

Odense, Denmark

1. Feb 2010 → 31. Mar 2023

#### udviklingssygeplejerske

Odense University Hospital

Odense, Denmark

1. Oct 2009 → 30. Apr 2024

#### projektsygeplejerske

Odense University Hospital

Odense, Denmark

1. Oct 2008 → 30. Sept 2009

#### intensivsygeplejerske

Odense University Hospital

Odense, Denmark

1. Apr 2000 → 31. Dec 2005

#### Sygeplejerske

Odense University Hospital

Odense, Denmark

1. Jun 1998 → 31. Mar 2000

## Research outputs

**From training to competency: A qualitative investigation of how qualified in-hospital healthcare personnel transfer human factor skills from an in situ simulation-based training course to competency in the complex clinical practice**  
Abildgren, L., 4. Mar 2024, Syddansk Universitet. Det Sundhedsvidenskabelige Fakultet. 244 p.

**Transfer human factor skills from simulation-based training to competency in clinical practice: - a demonstration of a hybrid method for assessing transfer of learning.**

Abildgren, L., Lebahn-Hadidi, M., Steffensen, S. V., Toft, P., Mogensen, C. B. & Hounsgaard, L., 5. Oct 2023, In: International Journal of Healthcare Simulation. DOI: 10.54531/gore1210, p. 1-13

**Integrating cognitive ethnography and phenomenology: rethinking the study of patient safety in healthcare organisations**

Lebahn-Hadidi, M., Abildgren, L., Hounsgaard, L. & Steffensen, S. V., Feb 2023, In: Phenomenology and the Cognitive Sciences. 22, 1, p. 193-215

**The Effect of Sedation on Renal Function in ICU Patients: A Systematic Review**

Abildgren, L., Logadottir, G., Úlfhédinsdóttir, R. L. & Toft, P., 2023, In: Annals of Clinical Anesthesia Research. 7, 1, 6 p., 1048.

**The effectiveness of improving healthcare teams' human factor skills using simulation-based training: a systematic review**

Abildgren, L., Lebahn-Hadidi, M., Mogensen, C. B., Toft, P., Nielsen, A. B., Frandsen, T. F., Steffensen, S. V. & Hounsgaard, L., 7. May 2022, In: Advances in Simulation. 7, 1, 18 p., 12.

**Psykosocial sygepleje i intensivafdeling - Et studie af den psykosociale sygepleje i mødet mellem den vågne intuberede patient og intensivsygeplejersken**

Schultz, L. A. & Hounsgaard, L., 2011, In: Nordisk Sygeplejeforskning. 1, 3, p. 173-191
