Undervisnings-CV

Jeg har en bred undervisningserfaring fra 1997 og frem. Jeg har erfaring både med undervisning på BA- og kandidatniveau, inkl. vejledning af mange specialer og BA-projekter, og både mindre hold på 25 studerende og derunder, samt store hold à 40-60 studerende, samt i min tid på SDU ofte på store hold med 80-100 studerende. Jeg har også erfaring med internetbaseret undervisning (Akkadisk sprog på KU, introduktion til Mesopotamiens historie, KU). Med undtagelse af nogle få fag på Assyriologi (Religion i Mesopotamien, Litteratur i Mesopotamien, o.a.), samt undervisning i Hebraisk sprog på AU, har al min undervisningsaktivitet ligget på faget Religionsvidenskab/religionshistorie, hvor jeg har undervist både i brede introducerende fag og i specialiserede kurser særligt vedr. oldtidsreligioner, samt tematiske, komparative kurser om magi, monstrøsitet, naturforestillinger, medier og populærkultur, religionsvidenskabelig teori og metode og meget andet. Jeg har undervisningserfaring fra tre danske universiteter, Aarhus Universitet, Københavns Universitet, og siden december 2012, SDU.

På Religionsstudier underviser jeg ofte i flg. fag: Religion i Den hebraiske Bibel med Jødedom, Kristendomsformer i oldtid og middelalder, Fokusemne i sammenlignende religionshistorie: religion i Mesopotamien, samt Religion, medier og populærkultur, Moderne kristendomsformer, m.fl. Jeg vejleder BA-projekter og specialer inden for en lang række emner og historiske perioder afhængigt af den studerendes interesser. Jeg har taget initiativ til vores speciale-workshop på kandidatens 3. semester og varetager den sammen med Mikael Aktor.

Jeg færdiggjorde adjunktpædagogik på Københavns Universitet, religionshistorie, i 2011 samt kursus i Phd-vejledning på SDU i 2016, ligesom jeg tidligere har deltaget i kurser om Retorik og talekunst, studenterinddragelse, specialevejledning, o.a. Jeg har bidraget til forskellige pædagogiske udviklingsforløb, samt undervisningsudviklingsforløb, både på AU (semesterteams), KU (Vestasiens Historie, kandidatseminar på Religionshistorie KA, kollegial feedback, o.a.) og på SDU, her særligt i samarbejde med Caroline Schaffalitzky de Muckadell. Jeg har undervist på forløb med flere undervisere - bl.a. et tværfagligt forløb sammen med bl.a. Christian Høgel på SDU, og på den religionshistoriske kandidat på KU sammen med Catharina Raudvere i faget Tekst og metode. Som leder af forskningsprogrammet Autoritet, materialitet og medier forsøger jeg at involvere de kandidatstuderende på Religionsstudier i vores aktiviteter så ofte det er muligt. Jeg har været medlem af Studienævnet på Religionsstudier, SDU, i perioden 2014-2016, samt igen fra november 2018-.
