Research Interests

My research addresses socioeconomic inequality in the healthcare system. Much of my current work is centered around access to treatment using registry data. My methods are rooted in econometrics with a focus on inequality indices, decomposition, and machine learning.

Education

2023	MSc Economics, University of Southern Denmark
2022	Erasmus+ exchange stay at the University of Oslo
2021	BSc Economics

Teaching experience

2026	Health economics, Bachelor level
2025	Machine learning with administrative health data, Master level
2025	Motivation, governance, and prioritization in healthcare, Master level
2019-2023	Teaching assistant in micro economics, macro economics, international economics, and econometrics, Bachelor level

Other research activities

2022-2023	Student assistent at the Department of Economics. Tasks envolved data management, data visualisation, analyses, and literature reviews.

Research terms abroad

Jan 2025 - Feb 2025	Visiting fellow at the Department of Health Management and Health Economics, University of Oslo (Host: Eline Aas)

Research outputs

Long-Term Clinical Outcomes After Physiology-Guided vs Angiography-Guided Coronary Artery Bypass Grafting: From the FARGO Trial

Trøan, J., Thuesen, A. L., Christiansen, E. H., Eftekhari, A., Havndrup, O., Modrau, I. S., Riber, L. P., Andreasen, J. J., Jensen, S. E., Steensbjerre, J. D., Siig, J. J., Isse, Y. A., Junker, A., Mortensen, P. E., Fearon, W. F. & Jensen, L. O., Nov 2026, In: JACC: Advances. 5, 11 Part 2, 103332.

Conferences and presentations

Aug 2026	A Risk Assessment Index for Mortality Following Heart Diseases using Danish Administrative Register Data (Heart-RAIDAR). 45th Nordic Health Economists' Study Group (NHESG), Reykjavik, Iceland.Meeting
Jan 2026	Rocket man or Common man - Decomposition of Socioeconomic Inequality in Mortality. Health Economists' Study Group Meeting (HESG) 2026, York, Great Britain.
Aug 2025	Validating and comparing a new composite socioeconomic status index to income and education - It's no sacrifice. 44th Nordic Health Economists' Study Group (NHESG) meeting, Oslo, Norway.
Mar 2025	Validating and comparing a new composite socioeconomic status index to income and education - It’s no sacrifice. Research workshop, Department of Health Management and Health Economics, University of Oslo, Oslo, Norge
Mar 2025	Validating and comparing a new composite socioeconomic status index to income and education - It’s no sacrifice. PhD Seminar, Danish Centre for Health Economics (DaCHE), University of Southern Denmark, Odense, Denmark
Feb 2025	Education and Income-Related Inequality in Access to Danish Health Care: A Nationwide Register-based Study of Consecutive Patients. Health economics seminar, Department of Health Management and Health Economics, University of Oslo, Oslo, Norway

Aug 2025	Education and Income-Related Inequality in Access to Danish Health Care: A Nationwide Register-based Study of Consecutive Patients. 43rd Nordic Health Economists' Study Group (NHESG) Meeting , Kuopio, Finland
Apr 2024	Education and Income-Related Inequality in Access to Danish Health Care: A Nationwide Register-based Study of Consecutive Patients. 12th Swedish Health Economics Association (SHEA) conference, Uppsala, Sverige
Jan 2024	Education and Income-Related Inequality in Access to Danish Health Care: A Nationwide Register-based Study of Consecutive Patients. Forskningsweekend, Research Unit of Cardiology, Odense University Hospital (OUH), Odense, Denmark

Research grants

OUH Internationalisation Fund providing full coverage of *exchange stay at the University of Oslo*, Oslo, Norway.
SDU Course Subsidy for the course *Applied Health Econometrics and Health Policy*, July 2024, Universitetet i Bergamo, Italien.
