Endocrinology

2020- Associate Editor at Endocrine

Teaching experience

Planning and formulating oral and written exams for medical students.

Teaching methods: Individually, groups, plenary sessions. Zoom-based and via chat and email. Bedside and at the outpatient clinic. Evaluation: Exams and individually.

Pregraduate teaching

Pituitary-, adrenal- and gonadal diseases, SDU/OUH, 2005-

Postgraduate teaching

Pituitary biology, pituitary insufficiency, acromegaly, hyperprolactinaemia, Cushing's disease, TSH-secreting pituitary adenomas, GH-deficiency, secondary adrenal insufficiency, central myxoedema, adrenal diseases, hypogonadism in males, polycystic ovary syndrome (PCOS), Turner, AGS. Consul courses: Denmark, Sweden, Norway (Scandinavia). HU-courses: Pituitary, adrenal, laboratory and endocrinology (Nationally).

PhD-courses: PhD-course-leader (planned and initiated), RCTs, Tanzania, Moshi, 2017

Graphical data presentation, 1997-2000

Metabolism-course, Danish Diabetes Academy, 2019.

Teaching doctors specializing in endocrinology, endocrinologists, neurosurgeons, gynecologists, pediatricians, dentists, specialists in nuclear medicine, general practitioners, nurses and patients.

Patient organization talks:

2005- Addison, hypofyse-netværket, Turner

2020 European Addison/pituitary patient Network, 16th of October, Copenhagen, Denmark.

Research supervision

Principal supervisor for PhD students at SDU

Louise Frederiksen, MD, PhD defended 2011

Hanne Mumm, MD, PhD, defended 2015

Magda Lambaa Altinok, MD, PhD defended 2017

Line Velling Magnussen, MD, PhD defended 2016

Camilla Palm, MD, 2020-

Co-supervisor for PhD students

Thue Kvorning, MSc, PhD defended 2006, SDU

Torben Leo Nielsen, MD, PhD defended 2007, SDU

Kristian Wraae, MD, PhD defended 2010, SDU

Morten Frost Nielsen, MD, PhD defended 2011, SDU

Claus Brasen, MD, PhD defended 2011, SDU

Maja Nyström-Hansen, cand psych, PhD defended 2018, KU

Ditte Søndergaard Linde, cand scient san, PhD defended 2019, SDU

Maria Othelie Underdal, MD, Trondheim, Norway, 2016-

Richard C. Jensen, MD, PhD defended 2019, SDU
Maria Hornstrup Christensen, cand scient san, SDU, 2018-
Tine Taubjerg Kristensen, cand psych, SDU, 2019-

Post docs in the research group:

Dorte Gliintborg, MD, PhD, DMSci, associate professor

Louise Lehmann Christensen, MD, PhD

Line Velling Magnussen, MD, PhD

Hanne Mumm, MD, PhD

Richard C. Jensen, MD, PhD

Principalsupervisor for medical students, 'forskerårstuderende'

Richard Jensen, 2014-15

Camilla Falch, 2016-17

Julie Hougaard Nielsen, 2017-18

Anja Fenger Dreyer, 2019-20

Co-supervisor

Cilia Maria Dalgaard, 2020-

Laura Gausdal Find, 2020

Freja Pelck Hansen, 2020-

Principalsupervisor for more than 40 medical students, 'Kandidatspeciale'

Opponent at PhD theses

2002 Troels Krarup Hansen, MD, Aarhus University

2004 Rolf Dall, MD, Aarhus University

2004 Henriette Mersebach, MD, University of Copenhagen

2008 Morten Brøgger Krag, MD, Aarhus University

2014 Olivera Borota, MD, Oslo University

2014 Tina Harmer Lassen, RH, University of Copenhagen

2016 Mikkel Grønnet Mieritz, RH, University of Copenhagen

2017 Stine Agergaard Holmboe, RH, University of Copenhagen

2020 Stina Willemoes Borresen, RH, University of Copenhagen

Chair at PhD theses

2015 Gunnhildur Asta Traustadóttir, SDU

2016 Britta Frederiksen-Møller, SDU

2017 Jakob Lindberg Nielsen, SDU

2018 Atlanta Elie, SDU

2018 Kasper Assersen, SDU
