2023 Associate Professor, SDU
2022 University Lecturer Programme, SDU
2019 PhD, Faculty of Health and Medical Sciences, University of Copenhagen
2018 European Educational Programme in Epidemiology (Florence, Italy)
2015 MSc, SDU
2004 Nurse (RN), Næstved, Denmark

Affiliation

2023- Associate Professor, Research Unit of User Perspectives, SDU
2019- Assistant Professor, Research unit of User Perspectives, SDU
2019- Post doc, Psychiatry, Region Zealand, DK
2016-2019 Project manager and PhD student, Psychiatry, Region Zealand
2009-2016 Consultant, Department of Quality and Education, Næstved-Slagelse-Ringsted (NSR) Hospital, DK
2008-2009 Nurse Educator, Social,- Healthcare college, Copenhagen, DK
2005-2008 Assistant head nurse, Psychiatry, Region Zealand
2004-2005 Nurse, Psychiatry, Region Zealand

Teaching (Please, see teaching portfolio)

PhD supervision

2023- Two under preparation: (Outcome measures in Schizophrenia and Development of cross-sectoral nutrition intervention for elderly patients)

Research Groups

2021- Human Health, SDU

Research outputs

Nutritional focus is key - a qualitative study exploring a primary care perspective on nutrition efforts for elderly malnourished patients transitioning from hospital to home

Bengtsson, K. & Marcussen, M. H., 21. Nov 2023, In: Clinical Nutrition Open Science.

The perspectives of patients with Parkinson's Disease: A qualitative systematic review (conference abstract)

Norgaard, B., Titlestad, S. B., Abrahamsen, C. & Marcussen, M. H., 14. Nov 2023.

Nutritional focus is key - a qualitative study exploring a primary care perspective on sector transitioning of malnourished patients

Marcussen, M. H., Aug 2023, (Submitted) In: Nutrition & Dietetics.

Pilot study protocol of a randomized controlled trial for the potential effects of creatine monohydrate on persistent post-concussive symptoms

Marcussen, M. H., Jul 2023, In: Frontiers in Neurology. 14, p. 1209548

Patients' Perspectives on User Involvement in General Practice. A Thematic Analysis of Free-text Comments

Norgaard, B., Titlestad, S. B. & Marcussen, M. H., 7. Mar 2023, (Accepted/In press) In: European Journal for Person Centered Healthcare .

A Qualitative Study of Management and Staff's Perceptions of the Implementation of Multifaceted De-escalation Interventions in a Mental Healthcare Hospital

Marcussen, M. H., 2023, (Submitted) In: International Journal of Mental Health Nursing.

Patients' perspectives on involvement in general practice: A thematic analysis of free-text comments

Nørgaard, B., Titlestad, S. B. & Marcussen, M., 2023, (E-pub ahead of print) In: Journal of Evaluation in Clinical Practice.

The perspectives of patients with Parkinson's Disease: A qualitative systematic review

Nørgaard, B., Titlestad, S. B., Abrahamsen, C. & Marcussen, M. H., 2023, In: Journal of Nursing Education and Practice. 13, 5, p. 8-17

Trends in the Use of Coercive Measures in a Danish Mental Healthcare Hospital: An Interrupted Time-Series Analysis Across a Decade

Marcussen, M. H. & Berring, L. L., 2023, (Submitted) In: Archives of Psychiatric Nursing.

Patient involvement in the encounter between general practice and patients with a chronic disease. Results of a scoping review focusing on type 2 diabetes and obstructive pulmonary disease

Marcussen, M. H., Titlestad, S. B., Nørgaard, B. & Marie Sandstød, R., 12. Dec 2022, In: European Journal of General Practice. 28, 1, p. 260-269

Development of a model for shared care between general practice and mental healthcare: a protocol for a co-production study

Marcussen, M. H., Berring, L. L., Hørder, M., Søndergaard, J. & Nørgaard, B., 31. Oct 2022, In: BMJ Open. 12, 10, 6 p., e061575.

Patient perspectives on the management of COPD and Type 2 Diabetes in general practice: an interview study

Lee, K., Titlestad, S. B., Nørgaard, B., Bentzen, N., Søndergaard, J. & Marcussen, M., Jul 2022, In: BMC Primary Care. 23, 1, 174.

Shared decision-making in general practice from a patient perspective. A cross-sectional survey

Nørgaard, B., Titlestad, S. B. & Marcussen, M. H., Jun 2022, In: Scandinavian Journal of Primary Health Care. 40, 2, p. 167-172

General practitioners' perceptions of treatment of chronically ill patients managed in general practice: An interview study

Marcussen, M., Titlestad, S. B., Lee, K., Bentzen, N., Søndergaard, J. & Nørgaard, B., Dec 2021, In: The European Journal of General Practice. 27, 1, p. 103-110

Improved patient-reported outcomes after interprofessional training in mental health: A nonrandomized intervention study

Marcussen, M., Nørgaard, B., Borgnakke, K. & Arnfred, S., 14. May 2020, In: BMC Psychiatry. 20, 9 p., 236.

The Effects of Interprofessional Education in Mental Health Practice: Findings from a Systematic Review

Marcussen, M. H., Nørgaard, B. & Arnfred, S. M. H., 15. Apr 2019, In: Academic Psychiatry. 43, 2, p. 200-208

Interprofessional clinical training in mental health improves students' readiness for interprofessional collaboration: a non-randomized intervention study

Marcussen, M., Nørgaard, B., Borgnakke, K. & Arnfred, S., 18. Jan 2019, In: BMC Medical Education. 19, 10 p., 27.

Training, executive, attention and motor skills (TEAMS) training versus standard treatment for preschool children with attention deficit hyperactivity disorder: a randomised clinical trial

Vibholm, H. A., Pedersen, J., Faltinsen, E., Marcussen, M. H., Gluud, C. & Storebø, O. J., 8. Jun 2018, In: BMC Research Notes. 11, 1, 366.

Network

International research network with researchers from Canada, Finland and Austria - led by Professor Karen Borgnakke from the University of Copenhagen
