

Line Maria Simonsen
Institut for Sundhedstjenesteforskning
Forskningsenheden for Almen Praksis (FEA)
E-mail: lsimonsen@health.sdu.dk

Forskningsområder

Kognitionsvidenskab
Interaktivitet
Sundhedskommunikation
Kognitiv etnografi og mikrosociologi

Publikationer

My time, your time, our time. Older patients' and GPs' time sensibilities around email consultations

Grønning, A., Simonsen, L. M., Lüchau, E. C., Assing Hvidt, E. & Klausen, M., mar. 2024, I: Health Sociology Review. 33, 1, s. 43-58

Exploring AI/LLMs, language and empathy in healthcare organizations from a distributed and phenomenological perspective

Simonsen, L. M. & Assing Hvidt, E., 2024.

Introducing Point-of-Care PCR technology in general practice: Ambiguities, experiences, and perceptions among health care professionals

Simonsen, L. M., Eilerskov, N., Andersen, R. S., Søndergaard, J., Nielsen, J. B., Thilsing, T., Balasubramaniam, K., Jarbøl, D. E. & Assing Hvidt, E., 2024, I: Health. s. 1-20 20 s.

Methodological challenges in researching email consultations as a form of communication in patient-provider interactions

Larsen, D., Simonsen, L. M. & Grønning, A., aug. 2023, I: Qualitative Research. 23, 4, s. 1042-1061

Sociotechnical dilemmas in healthcare: A cognitive ethnography

Simonsen, L. M., Steffensen, S. & Sutton, J., 2023, *Organizational Cognition: The Theory of Social Organizing*. Secchi, D., Gahrn-Andersen, R. & Cowley, S. J. (red.). Routledge, s. 213-238 (Routledge Studies in Organizational Change & Development).

Digitalization of the Wild: The everyday enactment of digital consultations in interprofessional interactions

Simonsen, L. M., 13. sep. 2022, Syddansk Universitet. Det Humanistiske Fakultet. 205 s.

Hybrid Cognition in Medical Discharges

Simonsen, L. M. & Steffensen, S. V., 16. nov. 2021, I: International Journal of Organization Theory and Behavior. 24, 3, s. 251-272

Hybrid Presence: Integrating Interprofessional Interactions with Digital Consultations

Simonsen, L. M., sep. 2021, I: Nordicom Review. 42, Suppl. 4, s. 22-44

Investigating distributed cognitive processes in the study of e-consultations' hybrid ontology: Discussing methodological implications

Simonsen, L. M., jun. 2019.

Investigating intercorporeality, sense-making and cognitive ecosystems: The case of the enacted e-consultation

Simonsen, L. M., jun. 2019.

Hybrid Cognition in medical simulation: Investigating micro-level organisational cognition

Simonsen, L. M. & Steffensen, S. V., 2019.

Interactivity: Why, What and How?

Gahrn-Andersen, R., Johannessen, C. M., Harvey, M., Simonsen, L. M., Trasmundi, S. B., Marchetti, E., Worsøe, L. B., Fester-Seeger, M.-T., Lebahn, M. & Steffensen, S. V., 2019, I: RASK – International journal of language and communication. 50, s. 113-136

Distributed interactions: the usage and experience of digital platforms in general practice: A discussion of methods, theory and challenges

Simonsen, L. M., nov. 2018.

E-consultations (e-cons): Roundtable discussion ICCH

Grønning, A., Klausen, M. (Medlem af forfattergruppering), Assing Hvidt, E. (Medlem af forfattergruppering), Laursen, D. (Medlem af forfattergruppering) & Simonsen, L. M. (Medlem af forfattergruppering), 6. apr. 2018.

Hybridity in simulation training: Navigation in different framings

Simonsen, L. M., feb. 2018.

Framings i distribuerede kognitive systemer: Hvordan praktikere møder patienten

Simonsen, L. M., jan. 2018, 104 s. www.kommunikationsforum.dk : Institut for Sprog og Kommunikation, Syddansk Universitet.

Embodied Trans-situational analogies: An interdisciplinary approach to problem-solving in the discharge conversation

Simonsen, L. M., 2018.

Interactional hybridity on the healthcare agenda

Simonsen, L. M. & Sarangi, S. (Redaktør), 2018, I: DIHM Digest. 8, s. 4-5

Aktiviteter samt deltagelse i workshops og seminarer

Workshop on interdisciplinary research: Challenges, Questions, Opportunities, Strategies and Lessons Learned

van Bakel, M. (Deltager), Brookes, M. (Arrangør), Shulzhenko, E. (Deltager), Mellepe, R. (Deltager), Vøxted, S. (Deltager), Hove, S. (Deltager) & Simonsen, L. M. (Deltager)
7. jun. 2022

Exploring Organizational Cognition: Routledge book workshop

Simonsen, L. M. (Deltager) & Secchi, D. (Arrangør)
2020

Engaging Skillful Cognitive Systems in Healthcare

Lebahn, M. (Arrangør) & Simonsen, L. M. (Arrangør)
11. jun. 2019

On Particularities

Simonsen, L. M. (Deltager) & Cowley, S. (Arrangør)
2019

4th Copenhagen Multimodality Day

Simonsen, L. M. (Deltager) & Due, B. (Arrangør)
2018

Cognitive Ethnography and interaction studies

Simonsen, L. M. (Deltager) & Trasmundi, S. B. (Arrangør)
2018

The 2nd symposium on Embodied Interaction

Simonsen, L. M. (Deltager), Trasmundi, S. B. (Arrangør) & Philipsen, J. S. (Arrangør)
2018

Centre for Human Interactivity (CHI) (Organisation)

Simonsen, L. M. (Medlem)
2016 → ...

Undervisning og vejledning**Interaktion og Kognition i Organisationer**

Simonsen, L. M. & Steffensen, S. V.
12/03/2019 → 12/03/2019

Media theory and analysis I: Print and audiovisual media

Simonsen, L. M.
03/09/2019 → 10/12/2019

Quantitative Ethnography: merging qualitative and quantitative analyses in Big Data

Simonsen, L. M.
26/02/2019 → ...
