

## Curriculum Vitae: Johanne Aviaja Rosing

### Johanne Aviaja Rosing

Scientific Assistant  
Department of Health and Social Context  
National Institute of Public Health  
Studiestræde 6, 1455 København K, Denmark  
Email: joha@sdu.dk  
Phone: 65507721

## Undervisning

### Undervisning

2020: Systematic Development of Interventions: The Role of Evidence, Theory and Practice, Folkesundhedsvidenskab, kandidatuddannelsen, SDU

### Vejledning

2020: Vejledning af kandidatspeciale: Lassen LE, The Danish intervention program 'High Schools High on Life': What do the high school tutors think about the project? A qualitative process evaluation of high school tutors' experiences with the project's education day and during the introduction weeks. Master thesis. Department of Public Health, University of Copenhagen, 2020

### Metoder, materialer og redskaber

Forelæsning og holdundervisning

## Research outputs

### Alcohol use among adolescents during the first pandemic lockdown in Denmark, May 2020

Hviid, S. S., Pisinger, V., Hoffman, S. H., Rosing, J. A. & Tolstrup, J. S., Jul 2023, In: Scandinavian Journal of Public Health. 51, 5, p. 718-726

### Symptoms of distress among young Danes during the national lockdown in May 2020

Hoffmann, S. H., Pisinger, V. S. C., Rosing, J. A. & Tolstrup, J. S., Apr 2023, In: European Child & Adolescent Psychiatry. 32, 4, p. 611-620

### Det kan være svært at være en positiv rollemodel som ældre gymnasieelev for de yngre, når det at drikke sig fuld er normen

Pisinger, V., Rosing, J. A., Hoffmann, S. H., Thygesen, L. C., Krølner, R. F. & Tolstrup, J., 15. Mar 2023, In: STOF. 44, p. 32-37 p., 5.

### Preventing Stress among High School Students in Denmark through the Multicomponent Healthy High School Intervention: The Effectiveness at First Follow-Up

Bonnesen, C. T., Thygesen, L. C., Rod, N. H., Toftager, M., Madsen, K. R., Jensen, M. P., Rosing, J. A., Wehner, S. K., Due, P. & Krølner, R. F., 18. Jan 2023, In: International Journal of Environmental Research and Public Health. 20, 3, 16 p., 1754.

### Effect of the multicomponent healthy high school intervention on meal frequency and eating habits among high school students in Denmark: a cluster randomized controlled trial

Duus, K. S., Bonnesen, C. T., Rosing, J. A., Madsen, K. R., Pedersen, T. P., Toftager, M., Thygesen, L. C. & Krølner, R. F., 4. Feb 2022, In: The international journal of behavioral nutrition and physical activity. 19, 1, 12.

### Developing the Bloom trial: Co-creating an intervention promoting healthy weight development during infancy with community health nurses and parents

Kierkegaard, L., Carlsson, R. R., Pedersen, T. P., Rosing, J. A., Due, E. P., Madsen, K. R. & Bonnesen, C. T., 2022.

### What characterizes schools and students participating in health promoting school-based intervention studies? Findings from the healthy high school study

Thørring Bonnesen, C., Aviaja Rosing, J., Pil Jensen, M., Kjær Wehner, S., Rich Madsen, K., Toftager, M., Due, P. & Fredenslund Krølner, R., Sept 2021, In: Preventive Medicine Reports. 23, 101491.

**Effect of the multi-component Healthy High School intervention on meal frequency and eating habits among high school students in Denmark: a cluster randomized controlled trial**

Duus, K. S., Bonnesen, C. T., Rosing, J. A., Madsen, K. R., Pedersen, T. P., Toftager, M., Thygesen, L. C. & Krølner, R. F., 8. Jun 2021.

**Alkoholforebyggelse på gymnasier: Erfaringer med indsatsen Gymnasier Fuld af liv**

Pisinger, V., Hoffmann, S. H., Rosing, J. A., Thygesen, L. C., Krølner, R. F. & Tolstrup, J. S., 2021, København: Syddansk Universitet. Statens Institut for Folkesundhed. 93 p.

**Developing an intervention promoting healthy weight development during infancy: Home health visitors' and parents' perceptions of potential barriers regarding an intervention**

Kierkegaard, L., Carlsson, R. R., Rosing, J. A., Due, E. P., Madsen, K. R. & Pedersen, T. P., 2021.

**Sammen – hver for sig: -hvordan tackler unge coronakrisen?**

Pisinger, V., Hviid, S. S., Hoffmann, S. H., Rosing, J. A. & Tolstrup, J. S., 2021, København: Syddansk Universitet. Statens Institut for Folkesundhed. 33 p.

**Study protocol for a cluster randomised controlled trial testing the effectiveness of the 'High schools High on life' intervention on reducing excessive drinking in Danish high schools**

Pisinger, V. S. C., Hoffmann, S., Rosing, J. A., Grønbæk, M., Tolstrup, J. S., Thygesen, L. & Krølner, R., 6. Aug 2020, In: BMJ Open. 10, 8, 10 p., e038857.

**Implementation of initiatives to prevent student stress: process evaluation findings from the Healthy High School study**

Bonnesen, C. T., Jensen, M. P., Madsen, K. R., Toftager, M., Rosing, J. A. & Krølner, R. F., 1. Jun 2020, In: Health Education Research. 35, 3, p. 195-215

**Study protocol of the Healthy High School study: a school-based intervention to improve well-being among high school students in Denmark**

Bonnesen, C. T., Toftager, M., Madsen, K. R., Wehner, S. K., Jensen, M. P., Rosing, J. A., Laursen, B., Rod, N. H., Due, P. & Krølner, R. F., 22. Jan 2020, In: BMC Public Health. 20, 1, 16 p., 95.

**The Process of Adapting High School-based Public Health Interventions for Use in Vocational High School Settings - The Case of the Young and Active Intervention**

Jensen, M. P., Brautsch, L. A. S., Rosing, J. A., Duus, K. S., Jørgensen, A. & Krølner, R. F., 2020, (Submitted) Research Square.

**Body dissatisfaction in adolescence: investigating potential side effects of the cluster randomized healthy high school trial**

Rosing, J. A., Bonnesen, C. T., Jensen, M. P., Madsen, K. R., Toftager, M. & Krølner, R. F., 2019.

**Preventing stress in a multicomponent, multiple health behaviour change intervention among high school students in Denmark: The Healthy High School study**

Bonnesen, C. T., Madsen, K. R., Toftager, M., Wehner, S. K., Jensen, M. P., Rosing, J. A., Due, P., Rod, N. H. & Fredenslund Krølner, R., 26. Oct 2017.

**Characterization of participating high schools in a school-based intervention to promote health and well-being: The Healthy High School study**

Bonnesen, C. T., Wehner, S. K., Jensen, M. P., Madsen, K. R., Rosing, J. A., Rasmussen, M., Toftager, M., Tolstrup, J. S., Due, P. & Fredenslund Krølner, R., 10. Jun 2017.

**Young & Active – A formative evaluation of a high school-based intervention aiming at promoting physical activity, sense of community and enjoyment**

Wehner, S. K., Bonnesen, C. T., Madsen, K. R., Toftager, M., Rosing, J. A., Jensen, M. P., Due, P., Fredenslund Krølner, R. & Tjørnhøj-Thomsen, T., 8. Jun 2017. 1 p.

**Oral lactobacillus counts predict weight gain susceptibility: A 6-year follow-up study**

Rosing, J. A., Walker, K. C., Jensen, B. A. H. & Heitmann, B. L., 2017, In: Obesity Facts. 10, 5, p. 473-482

**The Healthy High School Canteen: Development of a high school-based intervention addressing healthy eating and meal habits among Danish high school students**

Madsen, K. R., Wehner, S. K., Bonnesen, C. T., Toftager, M., Rosing, J. A., Jensen, M. P., Duus, K. S., Due, P. & Fredenslund Krølner, R., 2017. 1 p.
