

## **CV: John H. Ipsen**

Education: Master in physics, University of Copenhagen 1985  
Ph.D. in physics, Technical University of Denmark 1989

Academic Positions: Research Associate, University of Copenhagen, 1985-1986  
Senior Researcher, University of British Columbia, 1989-1991  
Senior Researcher, Technical University of Denmark, 1991-1995  
Assistant Professor, Technical University of Denmark, 1995-1998  
Associate Professor, Technical University of Denmark, 1998-1992  
Associate Professor, Technical University of Denmark, 1992-

Research fields: Biomembranes, Soft Matter, Statistical Mechanics, Computer Simulations,  
Micromechanics experiments
