Kløvervænget 25, 5000 Odense
Denmark

Education

2020-2023 PhD, University of Southern Denmark
2016-2018 Master of Science (MSc) in Nursing, University of Southern Denmark (120 ECTS)
2012-2016 Diploma in Healthcare Communication and Clinical Education (45 ECTS)
2004-2008 Bachelor Degree in Nursing, BN, Svendborg (210 ECTS)

Employment

2023- Clinical management of the Nurse Academy in the Emergency Department, Odense University Hospital.
2020-23 PhD student, Emergency Department, Odense University Hospital
2019-2020 Clinical Nurse Specialist, Emergency Department, Odense University Hospital
Aug. 2018-Dec. 2018 Research Assistant, Department of Oncology, Odense University Hospital
2017- Teacher at Svendborg Nursing School
2011-2018 Nurse, Clinical advisor, Emergency Department, Hospital of Svendborg
2008-2011 Nurse, Department of Orthopedic Surgery, Hospital of Svendborg

Research Areas

My primary research area is research in supportive and personalized acute care. I am involved in many aspects of research within acute care e.g. how to improve patient pathways in the emergency department generally, and also specifically for patients who self-harm, elderly and socially marginalized patients.

Peer Reviewed Papers

Publikationer

Pathways and transitions for patients admitted to an emergency department after self-harming events

Sandahl, M., Lassen, A. T., Stenager, E. & Østervang, C., aug. 2024, I: International Journal of Mental Health Nursing. 33, 4, s. 1129-1138

Leadership conceptions of nurses and physicians in emergency care: A scoping review

Rixon, A., Elder, E., Bull, C., Crilly, J., Østervang, C., Frieslich, H., Robertson, S., Pink, E. & Wilson, S., jun. 2024, I: International Emergency Nursing. 74, 101454.

Navigating healthcare systems: A qualitative study on socially marginalised patients' experiences of hospital transition and support by social nurses

Antonsen, L. K., Lassen, A. T., Nielsen, D. & Østervang, C., jun. 2024, I: Scandinavian Journal of Caring Sciences. 38, 2, s. 387-397

Receiving person-centred care in a hospital—A qualitative study of socially marginalised patients' experiences of social nursing

Antonsen, L. K., Lassen, A. T., Nielsen, D. & Østervang, C., mar. 2024, I: Scandinavian Journal of Caring Sciences. 38, 1, s. 220-230

How do sepsis survivors experience life after sepsis? A Danish qualitative study exploring factors of importance

Skov, C. S., Østervang, C., Brabrand, M., Lassen, A. & Nielsen, D. S., 13. feb. 2024, I: BMJ Open. 14, 2, 8 s., e081558.

Usability and Evaluation of a Health Information System in the Emergency Department: Mixed Methods Study

Østervang, C., Jensen, C. M., Coyne, E., Dieperink, K. B. & Lassen, A., jan. 2024, I: JMIR Human Factors. 11, 1, 14 s., e48445.

Translation and cultural adaption of the emergency department—consumer assessment of healthcare providers and systems (ED CAPHS): A questionnaire to measure patient experience in Denmark

Abrahamsen, C., Jensen, C. M., Elkjær, M., Østervang, C., Knudsen, B. M., Steenstrup Jensen, S., Moos, C. M., Viberg, B. & Mogensen, C. B., sep. 2023, I: Scandinavian Journal of Caring Sciences. 37, 3, s. 872-879

Music in the acute preoperative nursing care - A mixed-method pilot study

Antonsen, L. K., Dieperink, K. B. & Østervang, C., apr. 2023, I: Nursing Open. 10, 4, s. 2572-2581

Development of a health information system to promote emergency care pathways: A participatory design study

Østervang, C., Lassen, A., Schmidt, T., Coyne, E., Dieperink, K. B. & Jensen, C. M., dec. 2022, I: Digital Health. 8

Health professionals' perspectives of patients' and family members' needs in emergency departments and patient pathway improvement: A qualitative study in Denmark

Østervang, C., Lassen, A. T., Øelund, K., Coyne, E., Dieperink, K. B. & Jensen, C. M., 28. feb. 2022, I: BMJ Open. 12, 2, e057937.

Experiences of nursing care for patients who self-harm and suggestions for future practices: The perspectives of emergency care nurses

Østervang, C., Geisler Johansen, L., Friis-Brixen, A. & Myhre Jensen, C., feb. 2022, I: International Journal of Mental Health Nursing. 31, 1, s. 70-82

Tidlig opsporing af delirium hos akut indlagte ældre

Rekvad, L. E., Østervang, C., Lassen, A. T. & Hansen, C. M., dec. 2021, I: Nordisk Sygeplejeforskning. 11, 4

What are the needs and preferences of patients and family members discharged from the emergency department within 24 hours? A qualitative study towards a family-centred approach.

Østervang, C., Lassen, A. T., Myhre Jensen, C., Coyne, E. & Dieperink, K. B., 9. nov. 2021, I: BMJ Open. 11, 11, 9 s., e050694.

Municipal acute care teams as a flexible solution for the treatment of acutely ill patients at-home: A mixed-method study of patients' and caregivers' experiences with an acute care team

Udesen, S. E. J., Nielsen, D. S., Andersen, N., Østervang, C. & Lassen, A. T., 13. aug. 2021, I: BMJ Open. 11, 8, e049945.

Healthcare professionals' experiences with highly qualified nurses working in acute care teams in primary healthcare settings

Udesen, S. E. J., Lassen, A. T., Andersen, N., Østervang, C. & Nielsen, D. S., 29. apr. 2021, I: Scandinavian Journal of Primary Health Care. 39, 2, s. 194-203

Video-Based Patient Rounds for Caregivers of Patients With Cancer

Vedel Vestergaard, L., Østervang, C., Danbjørg, D. B. & Dieperink, K. B., jul. 2019, I: Oncology Nursing Forum. 46, 4, s. 485-492

Patient Rounds With Video-Consulted Relatives: Qualitative Study on Possibilities and Barriers From the Perspective of Healthcare Providers

Østervang, C., Vestergaard, L. V., Dieperink, K. B. & Danbjørg, D. B., 25. mar. 2019, I: Journal of Medical Internet Research. 21, 3, 11 s., e12584.

Projekter

Acute Care planning in Emergency Departments

Østervang, C. (Projektdeltager)

01/02/2020 → 01/06/2023

Oral Presentations

Agecare Symposium. August 2018 Odense. Østervang C, Vestergaard LV, Dieperink KB, Danbjørg DB "Video consulted patient rounds at a Hematological Department – experiences of relatives."

Nursing Symposium, Odense University Hospital, 2018 " Video consulted patient rounds at Department of Haematology and Department of Oncology - Experiences of family members and healthcare professionals."

International Family Nursing Association. Washington 2019. Vestergaard LV, Østervang C, Dieperink KB, Danbjørg DB. " Video consulted patient rounds at Department of Haematology and Department of Oncology - Experiences of family members and healthcare professionals."

Poster Presentations

Østervang C. Dieperink KB. Jensen CM. Coyne E., Lassen A.

Person-family-centered Acute Care planning in Emergency Departments (The ACE study). Family Focused Nursing Conference. Stavanger 2020.

Østervang C. Dieperink KB. Jensen CM. Coyne E., Lassen A.

Person-family-centered Acute Care planning in Emergency Departments (The ACE study). Nordic Nursing Conference. Copenhagen 2020.

Østervang C., Vestergaard LV, Dieperink KB, Danbjørg DB. "Nurses' perspective of implementing video consulted patient rounds with relatives during hospitalization." International Council of Nurses Singapore (ICN) June 2019.

Østervang C., Vestergaard LV, Dieperink KB, Danbjørg DB. "Video consulted patient rounds at a Haematological Department – experiences of relatives." Week of Health Innovation (WHINN). Odense Oct. 2018.
