

Education

Ph.D. in Applied Computer Science (summa cum laude), Institute of Applied Informatics and Formal Description Methods, Universität Karlsruhe (TH), Germany, 2002

Diploma degree in Computer Science, Universität Karlsruhe (TH), 1997

Work experience

Visiting Full Professor (sabbatical leave), Harvard Medical School, Department of Systems Biology, 02/2019-08/2019

Full Professor, Dept. of Mathematics & Computer Science (IMADA), since 08/2017

Visiting Associate Professor (sabbatical leave), University of Vienna, Institute of Theoretical Biochemistry (TBI), 02/2014 - 08/2014

Associate Professor, Dept. of Mathematics & Computer Science (IMADA), University of Southern Denmark (SDU), 04/2008-07/2017

Assistant Professor, Dept. of Mathematics & Computer Science, University of Leipzig, Germany, 10/2002-04/2008

Junior Research Fellow ("wissenschaftlicher Mitarbeiter"), University Karlsruhe, AIFB, Research Group "Efficient Algorithms", 04/1997-09/2002
