Pædagogisk uddannelse

2021 2021 PhD supervisor seminar, SDU
2014 Lecture Training Programme, University of Southern Denmark. 10 ECTS
2012 exam workshop, May 15, University of Southern Denmark

Uddannelsesadministrative opgaver

Modul leader for modul B1 (from 2017).

Undervisningserfaring

Course director of Modul B1 (7.5 ECTS points per semester) for Clinical biomechanics and medical students
Teaching of Undergraduates

Science students

Course: SU502

Lecture: General cell biology and Skeletal and smooth muscle physiology

Format: Large classroom (>100 students)

Duration: 2 × 2 hours per year

Year: 2011 -

Course: SU503

Lecture: Method and measurement in pharmacology

Format: Large class-room (>100 students)

Duration: 1 hours per yearYear: 2015-

Lecture: Hvordan virker lægemidler?

Format: Large class-room (>100 students)

Duration: 2 hours per year

Year: 2015 -

Course: SU512

Lecture: Hvordan virker lægemidler?

Format: Large class-room (>100 students)

Duration: 2 + 1 hours per year

Year: 2014 -

Course: NAT501/NAT507

Format: Practicals and small group teaching

Duration: 1 week

Year: 2011

Medical students

Course: Modul B5

Lecture: Hjertets pumpefunktion II: Automati, ekg og regulering

Format: Large classroom (>100)

Duration: 2 hours per semester

Year: 2014 –

Course Modul B1Lecture: CellefysiologFormat: large class room (<100)Duration: 8 hours per semesterYear: 2017 -

Teaching of Graduate students

Master in Health Science students

Course: Cell and Molecular biology

Format: Classroom lecture (~50 students)

Duration: 2 × 2 hours per year

Year: 2007-2008

Teaching of Post-graduate student

Course: Danish Hypertension Society, Ph.D course in Hypertension

Format: Classroom lecture (~20 students)

Duration: 2 hours

Year: 2008

Supervision of students

Supervision of 3 PhD students

Supervision of 4 Master of Science students

Supervision of 3 medical pregraduate students

Supervision of >10 undergraduate science students

Supervision of 1 Summer research student (at the University of Southern California, Los Angeles, USA).

Exams/ evaluations

I make and correct questions for two exams + re-exams for science students a year (SU502, SU503 and SU512). I make and correct exam and re-exam questions for medical students twice a year (Modul B1 and B5). I have conducted oral exams for science students (NAT501/NAT507) and TEK-student, as well as writing exam questions for Master in Health Science students.

Metoder

2014 developed <http://electrophysiology.sdu.dk> - an online platform used during lectures in electrophysiology

Uddannelsesudvikling og universitetspædagogisk (følge)forskning, herunder pædagogiske priser
