

Annette Bauer-Brandl  
Professor  
Department of Physics, Chemistry and Pharmacy  
E-mail: [annette.bauer@sdu.dk](mailto:annette.bauer@sdu.dk)  
Phone: 65504497  
Fax: 66158760

Research Interests:

Solid state of drug substances  
Crystals, processing, tableting  
Solvation of drug substances  
Formulation of poorly soluble drugs  
Solubility  
Permeability; permeability screening

Current Activities:

European Pharmacopoeia Commission: Member of Expert Group 12 - Dosage Forms and Methods  
APV (International Association for Pharmaceutical Technology): Member of Focus Group – Solids

Professional Experience:

Apotheker (authorized pharmacist), Germany  
Scientific Assistant (University of D-Bonn)  
Research Fellow in Pharmaceutical Companies (Wellcome, UK-Dartford; Ciba, CH-Basle)  
Researcher (University of D-Freiburg)  
Associate Professor (University of N-Tromsø)
