Research Career Progression

University of Southern Denmark (August 2013 - Present)
Associate Professor

King's College London, War Studies (Jul 2012 - July 2013)
Research Fellow (66% FTE)

- Worked as Deputy Director of the ERC-funded 'ImpactTracer' project, developing a web application to be used in the field of IR and Security Studies to trace the impact of political statements or documents on policy making, but also to measure the influence of specific ideas and knowledge in politics
- Directed all activities and set strategic direction and plan in liaison with the PI to ensure that critical milestones were achieved in defining cases/ and prototypes to test
- Carried out in-depth desk-based research, organised interviews and workshops involving different potential users, and tested algorithms and visualisation systems
- Produced a business case to attract commercial customers interested in funding further software development or to buy the application

Foundation for International Prevention of Genocide and Mass Atrocities, Budapest (Jan 2012 – March 2013)
Coordinator/Expert Member of EU Task Force for the Prevention of Mass Atrocities (Consultancy/33% FTE)

- Coordinated the activities of 13 academics and managed the committee drafting a report which assesses the EU's performance in the prevention of mass atrocities and makes recommendations on how to improve it
- Assisted the various task force Chairs in leading the policy oriented work
- Conducted interviews with EU policy-makers and other relevant participants

King's College London, War Studies (Nov 2011 - Jun 2012)

Visiting Research Associate (Voluntary)

- Finalised series of publications linked to Foresight Research group and contributed to future grant applications

King's College London, War Studies (Oct 2008 - Oct 2011)

Research Associate/Manager ERC-funded 'Foresight' Project (FTE)

- Managed a team of 4 under the direction of the PI, contributing substantially to the research design and the theoretical development of the project, carrying out most of the empirical research necessary to ensure success
- Enhanced expertise in the field of International Organisations (UN, OSCE and NATO in particular) conflict dynamics in weak states (especially Rwanda, Darfur, Bosnia, Kosovo, FYROM and Georgia), and discourse analysis
- Provided excellent project management, developing deadlines and drafting deliverables, and coordinating the research activities of the project in close liaison with the PI
- Trained, coached and supervised the work of the research assistants working on the content analysis of warnings
- Managed all publicity activities aimed at promoting and raising project visibility including 2 workshops, a conference, a book launch, a podcast, and the web page

OSCE Archive, Prague (Dec 2010)

Researcher in Residence (Voluntary)

- Carried out research on the OSCE Conflict Prevention Centre with access to classified documents relating to missions in Kosovo, Georgia and FYROM

European University Institute, Max Weber Programme (Jan 2007 - Sep 2008)

Research Assistant

- Contributed to the organisation of the Programme lectures, conferences, and pre-doctoral summer school

Robert Schumann Centre, "European Military Doctrine" Project (Nov 2004 - Jul 2006)

Research Assistant

- Conducted research under the supervision of Prof. Pascal Vennesson on military institutions in Italy and deepened knowledge of other European military institutions, their conceptions of military power and force employment, their organisational frames, and their changes due to globalisation and integration into the European Security and Defence Policy
- Produced a co-authored article, published by Armed Forces and Society, a book chapter, and a seminar held for the School of European Governance and Administration of Potsdam University

University of Florence (Jan 2002 - Nov 2003)

Research Assistant

- Conducted research for the project titled "Lines of development of international politics", funded by CEMISS (Military Centre for Strategic Studies), led by Prof. Luciano Bozzo

Teaching Experience

King's College London (Sep 2009 - Aug 2011)

Teaching Fellow

- Delivered lectures and materials to teach/coach up to 16 MA students per year, and acted as second marker for a number of MA dissertations
- Created and led the module "Media and War", setting and marking examinations
- Marked essays and examinations for Modules "War Reporting" and "Media and Intelligence"

University of Florence (Jan/Aug 2008)

Lecturer

- Created and led the module "Representations of War"
- Marked essays and examinations for modules "International Relations Theory" and "Strategic Studies"
- Supervised 4 MA students dissertations

Florida State University (Sep 2007 - May 2008)

Lecturer

- Developed syllabus, created and led the module "European Union: History, policies and institutions"
- Marked essays and examinations for the abovementioned module

Potsdam University and EUI (Jun 2006)

Visiting Lecturer

- Delivered lectures on "European Military Integration" as part of MA course

University of Florence, Strategic Studies (Jan 2006 - Dec 2007)

Teaching Assistant

- Worked as guest speaker on "International Relations Theories" and supervised MA dissertations

University of Bologna (Dec 2005 & Mar 2006)
