The transatlantic innovative research consortium: atherosclerosis, aneurysms, and autoimmunity (6 centres)

The International AAA Screening Group

The Transatlantic Research Consortium: Adventitial Causes of Aneurysms (6 centres) (Ledurq collaboration)

PHD SUPERVISION (19 COMPLETED, 9 ONGOING, 2 in "PIPELINE)

Graduated : Sten Vammen (1997-2000), Jette B. Støvring. (2002-2005), Sigita Urbonavicius. (2004-2008), Anne Mette

Momsen (2006 -9), Gražina Urbonaviciene, (2007-10), Gao Hong (2007-10), Ljubica Andersen (2005-11), Casper Nielsen (2008-11), Anette Høgh. (2006-12), Brian Kloster (2010-2016), Trine Jørgensen, (2012-2016), Brian Kloster (2010-2016), Holger Wemmelund (2010-2016), Manan Pareek (2013-2017), Carsten Behr Rasmussen (2013-2017), Marie Thomsen (2012-2018), Ina Qvist (2015-2019), Katrine L. Kristensen (2013-19), Louise S. Londero (2014-20),
Ongoing: Lida Khurrami (2016), Sara Riber (2017-), Torben Frund (2017), Mejse Kristensen (2017-), Anders Bøvling (2017-), Mads Liisberg (2018-), Emilie Grupe (2019-), Silke Gripke (2019-), Lasse Obel-Grønbæk (2020-)
In pipeline: , Egle Kavailunite (2020), Joachim Skoubo Kristensen (2020)

Pregraduates, 10 completed: Jannie Povlsen (2014), Mads Liisberg (2015), Hadi Diab (2016), Lasse Obel-Grønbæk (2016-17), Anders Bøvling (2016-17), Malene Skaarup Kristensen (2017), Asbjørn Schack (2017), Qais Saleh (2017), Andreas Poul Riis (2017), Joachim Skovbo Kristensen (2018), Sissel Karoline Bang-Møller (2019), Mikkel Høxbro Berntsen (2019), Pernille Sejerskov (2019), Tayfun Basaran (2020), Leander Gaarde (2020), Julie Dall (2020)
2 upcoming: Thea Sjølland Bøvling (2021-), Hana (2021-)

EVALUATIONS

Professorships:

2012: Professorship in Vascular Ultrasound, Rigshospitalet (Henrik Sillesen)
2014: Professorship in Cardiac Value and Insufficiency, OUH (Jacob Eifer Møller)
2015: Professorship in Surgery, Karolinska Hospital (Lisa Rydén)
2016: Honorary Professor, University of Southern Denmark (Van Houtte)
2016: Professorship in Surgery, Karolinska Hospital (No Qualified)
2018: Professorship in Medical Innovation, SDU (Kristian Kidmose)
2018: Professorship in Child Heart Surgery, Copenhagen University (Vibeke Hjortdal)
2018: Professorship in Cardiovascular Inflammation, Technischen Universität München (No appointed)
2019: Professorship in Cardiovascular Physiology, SDU (Stefan Mortensen)
2019: Professorship in Vascular Surgery, Uppsala University (Kevin Mani)
2019: Professorship in Experimental Nutrition, Aalborg Univeristy (Charlotte Lauridsen)

Doctoral/PhD:

4 in Sweden, 1 in Norway, 1 in Netherlands, 5 in Denmark

CUMULATED GRANTS

Since 2004: 64.257.809 DKK

incl. 7.45 Mill. DKK from EU-FP7 grant no. 200647 (FAD)
incl. 5.00 Mill. DKK from RSYD (DANCAVAS trial)
incl. 7.50 Mill. DKK from RSYD (Excellence centre CAVAC)
incl. 5.00 Mill. DKK from RSYD (The HUNT)

BIBLIOMETRY (Orcid id: 0000-0001-9536-4488)

286 pubmed indexed publications

H-index: 48 (Web of science, 6821 citations (Av. 24.5), Scopus H-index:49

Books and bookchapters: 9 (8 as 1st or last author)

Leading articles : 13 (12 as 1st or last author)

Reviews: 39 (24 as 1st or last author)

Original papers: 226 (112 as 1st or last author)

Case reports: 8 (7 as 1st or last author)

Invited scientific speaker: 81.

Scientific presentations: 125
