

Teaching (visiting lectures excluded)

2018-

Design Skills. Lecturing computational thinking and interactive prototyping. University of Southern Denmark, Faculty of Humanities, Department of Design and Communication

2018-

Lecturer. Professional Apprenticeship, University of Southern Denmark, Faculty of Humanities, Department of Design and Communication

2010-2017

Lecturer. Interactive Prototyping, Aalto University, School of Arts, Design and Architecture, Helsinki, Finland. Please see my website for further details on each course.

2013, 2017

Lecturer. Wearable technology and eTextiles, Aalto University, School of Arts, Design and Architecture, Helsinki, Finland

2015

Lecturer. Wearables and Fashion Summer workshop, with Ilona Hyötyläinen, Aalto University, School of Arts, Design and Architecture, Helsinki, Finland

2014-2016

Lecturer. Wearable technology and eTextiles, International collaboration between Aalto University, School of Arts, Design and Architecture, Helsinki, Finland, Universität der Künste Berlin and Höskolan i Borås, Sweden.

2011-2013

Lecturer. Design Sprint, Aalto University, School of Arts, Design and Architecture, Helsinki, Finland

2011

Lecturer. Master-student project - DIDEKO, with VTT, Aalto University, School of Arts, Design and Architecture, Helsinki, Finland

2009

Lecturer. Master-student project - TASOTUPA, with Finnish Rail Administration, University of Arts and Design, Helsinki, Finland

2007-2009

Lecturer. Interactive Prototyping, University of Arts and Design, Helsinki, Finland

2005-2007

Lecturer, examiner. Basics of Embedded Processor Applications, Tampere University of Technology.

2005-2006

Teaching assistant, examiner. Electromagnetic Compatibility, Tampere University of Technology.

2001-2008

Lecturer, Teaching assistant, examiner. Embedded Processor Applications, Tampere University of Technology.

1998

Teaching assistant. Mobile and Telerobotics, Tampere University of Technology.
