## Education

University of Copenhagen, Sociology, magisterkonferens, 1977.

## Academic Employment

2001- Associate Professor, University of Southern Denmark, Marketing & Management, IT and Organization 1998-2001 Associate Research Professor, University of Southern Denmark 1993-1998 Senior Researcher, Danish State Archives 1981-1993 Associate Professor, University of Odense 1978-1981 Assistant Professor, University of Odense

## Research

IT & organization, Virtual organizations, Business intelligence, Data Science Karsten Boye Rasmussen is associate professor in the areas of organization and information technology at Department of Marketing & Management at University of Southern Denmark. He is a sociologist and data scientist and uses data archiving, data warehousing, business intelligence, organization, methods and metadata in teaching, development and research. Current research is focused on small and medium sized companies and their use of IT also comprising websites. The research is mostly quantitative and often includes methodological challenges and new use of data like nonresponse and unobtrusive measuring in content analysis of websites.

My work within data science and the connection to research in metadata of social science data and data archiving is also found in my editorship of IASSIST Quarterly since 1997. IASSIST Quarterly is the journal of International Association for Social Science Information Services and Technology. We moved the IASSIST Quarterly to an Open Journal System at Alberta University, Canada in the beginning of 2018. (<https://iassistquarterly.com>)

## Union work

2016- Member of the board of Djøf (Djøfs bestyrelse). (<https://www.djoef.dk>) (reelected: 2018)

2012- Member of the board of Djøf Public (Djøf Offentlig). Chairman for the area of university and research. In that capacity also member of committees of Akademikerne (AC): the board of Research and Education (FUU) and FUF. Co-editor of FORSKERforum. (reelected: 2014, 2016, 2018).

2006- Shop steward (tillidsrepræsentant, TR) at Business & Social Science, Odense.
