## EDUCATION

2011 European Board of Interventional Radiology (EBIR)  
2000 Fellow of Cardiovascular and Interventional Radiological Society of Europe (CIRSE)  
1987 PhD in Radiology, University of Southern Denmark, Odense  
1982 Specialist in Radiology, National Board of Health  
1975 Educational Council for Foreign Medical Graduates (ECFMG), U.S.A.  
1974 MD, University of Southern Denmark, Odense

## POSITIONS

2011- Clinical Professor of Radiology, University of Southern Denmark, Odense  
1996- Director of Research Center of Radiology, University of Southern Denmark, Odense  
1983- Consultant/Chief Radiologist, Chest and Cardiovascular/Interventional Radiology, Odense University Hospital

## EDUCATIONAL AND SCIENTIFIC ACTIVITIES

2013- Chairman of Danish Society of Interventional Radiology (DFIR)  
2002-2016 Chairman of Danish Society of Interventional Radiology (DFIR)  
2008 Faculty member of Cardiovascular and Interventional Radiological Society of Europe (CIRSE)  
2006-2008 Member of Executive Committee and Scientific Program Planning Committee and Meeting Chairman of Annual Meeting and Postgraduate Course of CIRSE  
2009 Co-editor World Journal of Radiology og Case Reports in Radiology  
1994-1996 Member of Scandinavian Endovascular Study Group - SESG  
1993 Chairman/Moderator at several international meetings, especially European Congresses of Radiology (ECR) and Annual Meetings and Postgraduate Courses of the Cardiovascular and Interventional Radiological Society of Europe (CIRSE)  
1992-1996 Co-investigator in "The European Angiopeptin PTCA Study Group"  
1998 Arranged more than 35 international scientific meetings for Danish Society of Radiology (DRS) and Danish Society of Interventional Radiology (DFIR)

## BIBLIOMETRY

More than 120 peer-reviewed and PubMed indexed publications, including original papers, case reports, reviews, book and book-chapters

More than 120 lectures, most as invited speaker at Danish, Nordic, European and World congresses and International scientific meetings

## Publikationer

**Intra-arterial lidocaine administration during uterine fibroid embolization to reduce the immediate postoperative pain: a prospective randomized study**

Duvnjak, S. & Andersen, P. E., 10. feb. 2020, I: CVIR Endovascular. 3, 5 s., 10.

**CIRSE Standards of Practice on Diagnosis and Treatment of Pulmonary Arteriovenous Malformations**
