## UndervisningsCV

### 1. Formelt pædagogisk uddannelse

### 2. Uddannelses administrative opgave

I flere år har jeg arbejdet med opbygning af forskningskapacitet i Tanzania og Vietnam, hvor vi har uddannet en række ph.d'er. Vi har i den forbindelse afholdt ph.d.-kurser med deltagelse af både tanzaniske, vietnamesiske og danske ph.d.-studerende. Uddannelsesaktiviteterne er baseret på langvarigt forskningssamarbejde med Københavns Universitet, Kilimanjaro Christian Medical College i Tanzania og Hanoi Medical University i Vietnam.

2003-2008: The Medical Faculty, Copenhagen University, The Masters Program in International Health. Subject: Reproductive Health with special emphasis on abortion and HIV/AIDS. 1 week module (*Course coordinator*)

2004-2007: The Medical Faculty, Copenhagen University, The Masters Program in International Health. 5 weeks special module: "HIV/AIDS Prevention, Control, Care and Advocacy" (*Course coordinator*)

2006-2008: The Medical Faculty, Copenhagen University, Summer School in International Health and Development. Pre graduate training course for medical students. 2 weeks module (*Course coordinator*)

2011-2013 The Medical Faculty, University of Southern Denmark, The Masters Program in Pharmacology. Rational Pharmacotherapy in relation to maternal and child health. (*Course coordinator*)

November 2003: Scientific Institute of Family, Population and Children, Hanoi, Vietnam, 1 week research training course: "Sexual and reproductive health and rights" 24 hours (*Course coordinator*)

October 2006: Scientific Institute of Family, Population and Children, Hanoi, Vietnam, 1 week research training course: "Proposal writing" 24 hours (*Course coordinator*)

April 2007: Scientific Institute of Family, Population and Children, Hanoi, Vietnam, 1 week research training course: "HIV Control, care and Prevention" 24 hours (*Course coordinator*)

February 2010; Jimma University, Ethiopia, 2 days course: "Improving quality of antenatal care in rural settings" 14 hours (*Course coordinator*)

January 2017: Kilimanjaro Christian Medical Center, Tanzania, 1 week research training course: "Clinical Research" 24 hours (*Course coordinator*)

January 2018: Kilimanjaro Christian Medical Center, Tanzania, 1 week research training course: "Gynaecological cancers" 24 hours (*Course coordinator*)

January 2019: Kilimanjaro Christian Medical Center, Tanzania, 1 week research training course: "Sexual and Reproductive Health and Rights" 24 hours (*Course coordinator*)

January 2020: Kilimanjaro Christian Medical Center, Tanzania, 1 week research training course: "Systematic Reviews" 24 hours (*Course coordinator*)

### 3. Erfaring med undervisning, vejledning og eksamen

Undervisningserfaring indenfor seksuel og reproduktiv sundhed fra Københavns Universitet, Syddansk Universitet, Karolinska Institutet, Lund-Malmø Universitet, Scientific Institute of Family, Population and Children, Hanoi, Vietnam, Jimma University Hospital, Ethiopia and Kilimanjaro Christian Medical Centre, Tanzania. Vejleder for 26 ph.d.-studerende (17 færdige og 9 igangværende) og 45 kandidatstuderende

### 4. Metoder, materialer og redskaber

Klassisk forelæsningsformat, hold og gruppe undervisning understøttet af powerpoint, lærebogskapitler og relevante videnskabelige artikler

### 5. Uddannelsesudvikling og universitetspædagogisk (følge) forskning

Deltaget i udvikling og tilrettelæggelse af internationaliseringsprofilen samt undervisningsmodulet iglobal sundhed og forebyggelse på kandidatuddannelsen i lægevidenskab på SDU
