TEACHING RESPONSIBILITIES & ASSIGNMENTS

- Pending main and co-supervisor for 4 PhD students. 26 PhD students and 20 MSc students completed. 10 pregraduate research MD students supported by the Research Council completed-all with publication.
- Course development: Module 2 and 6 – Medicine, Univ. of Southern Denmark (each 15 ECTS)
- Course director: Module 2; currently Module 6: "Growth and Nutrition"; Pathophysiology-kidney, MSc students; Responsible for schedule, examination and course evaluation. PhD course: "Renin-Angiotensin system" 2005, 2008, 2011, 2013.
- Course teaching: Physiology, pathophysiology, pharmacology and molecular biology at University of Southern Denmark. Postgraduate teaching at PhD courses.

FUNDING

2010-2018: app 18 mill DKR.

ADMINISTRATIVE EXPERIENCE

- Head of Research at Dept Cardiovascular and Renal Research, 2007-
- Faculty committee for academic theses, member 2008-13, chairman 2013-18
- Research Consultant, Dept. of Urology, Odense University Hospital, 2011-

REVIEWING

- Committee member: 22 PhD theses (KU, AU, Göteborg, Hong Kong, 3 pregrad. MD student projects-AU
- Chairman of 4 PhD review committees at Univ. Southern Denmark
- Member of review committees on 17 academic positions: AU, KU, Lausanne.
- Ad hoc reviewer for Dutch Cancer Society, UK research council, Lund Univ Vascular, Dutch Nephrology
- Norwegian Research Council; appointed reviewer of Clinical Research, Norway, 2011
- Ad hoc referee for international journals: e.g. J Hypertens, Kidney Int, Am J Physiol, J. Am Soc Nephrol. ca 1-2/month
- Reviewer „Medical and Health Sciences“ 2017 with site visits at 6 institutions and report, Estonia
- Appointed Reviewer for the Swedish Research Council 2017-2019, panel “MH:E1, Cardiovascular and Urogenital diseases, Transplantation and diseases of haematogenous organs”

UNDERVISNINGSPORTEFØLJE

FORMEL PÆDAGOGISK UDDANNELSE

- Adjunkt pædagogikum gennemført ved Syddansk Universitet, Odense Universitet 1998.
- Gennemført interne delkurser I-III ved Det Sundhedsvidenskabelige Fakultet, SDU i forbindelse med indføring af ny studieordning i 2006-7, alt 12 timer
